*Re: Government Letter-Motion to Unseal Search Warrant Application and Search  
Warrant Materials in 1:24-mj-280-CFH*

Dear Judge Hummel:

In the above-captioned matter, on June 12, 2024, the government obtained the four warrants to search certain property. On June 12, 2024, in connection with the signing of that warrant, the Court also signed an order that required that these search warrant materials remain under seal for a certain period.

The United States hereby respectfully moves the Court to unseal the above-captioned case, including each of the search warrant applications and issued warrants noted above. The government has enclosed certain redactions to be applied as to personally identifiable information (PII).

Respectfully submitted,

/s/ Alexander Wentworth-Ping
